**CAPTAIN APPOINTED FOR 2012**

SUNDAY MAIL September 8 1991 Page 7

Cutting on left above of **Tyson Jacquier** about to participate in the commemorative match, held in honour of his Father, Kevin, who had recently passed away. **Tyson has been appointed our Captain in Season 2012**, after four seasons in the A Grade, and continuing the long association of the Jacquier family with the Rosewater Football Club. Tyson commenced in 2008 (in the seniors) and has played 67 senior games – mainly on a half back flank! Like all half back flankers Tyson enjoys a run on the ball and filters into the forwards to attack the goals. Father, Kevin's record is described on the Web Site. Thanks to John Marchioretta for the cutting – should anyone wish to have a copy - in larger size – I can supply: Contact by email: [crumbelow@kern.com.au](mailto:crumbelow@kern.com.au)

**CONSTRUCTION CONTINUES**

Last week I reported on the **BIG SIZE** of the concrete foundations. Now I report on the **BIG HEIGHT** of the steel work going up at a frantic pace. It is reported the roof will be on by the end of the week.

Looking at the photograph above and you may not get the appropriate size (height) of the building.

I assure you it is looking good. Reports are that the contractors are looking to hand the building to us on the 1<sup>st</sup> of June. Seems incredible but so far the building has progressed quickly and the contractors are working on weekends and starting very early – see over for the report of our **Dealership Security!**

#### JUNIORS TRIAL MATCHES

The Rosewater Junior Football Teams ventured to Portland and were well represented in all grades on Sunday last. It is pleasing to report our juniors are now gathering numbers and looking to be quite competitive this season. Still looking for numbers – so if you have a child or relative looking for a club – contact our juniors –

#### WHEN DO WE GO TO ETHELTON?

The Executive Committee and the Building Sub-Committee met at the Port Adelaide Baseball Club – last night – Monday 2 April 2012. Discussed the fit-out of the Building. Had the opportunity to inspect the clubrooms. They are very good. Not designed for football clubs with a result of small change rooms – but will be an excellent venue for our purposes whilst the clubrooms are being built.

#### FROM COMMITTEE - MORE ON CAPTAINS:

JOHN REARDON thanked outgoing Captain Adam Rumbelow for his contribution over the years he represented the Club in the Captain's role.

Also announced Vice Captains in:

**Josh Vines, Brad Taheny, and Shaun Jacobsen** – unfortunately

Shaun's season is over through injury in the last 10 minutes of our trial against Woodville South.

**Announced as Captain for our B Grade:**

**Brett Gooley** – with Vice Captain to be announced.

#### DEALERSHIP SECURITY

*"Welcome to the dealership."*

It's nice to have our own security patrol just over the road. I refer to none other than "the **Captain**" **Chris Loader**. Being up and about at around 4:30am the other morning, and noticing lights on the in the construction worksite office, he immediately assumed the profile of a later day Kojak: "I'm the Lieutenant" and attended the break-in scene at hast in his vehicle. Only to spring the electricians making an early start! And all this security at very reasonable rates – well the rate is the same as the Sri Lankan Test Players Match Payments – nil!

#### AND WHILE ON DEALERSHIPS

It is pleasing to report a work achievement of our Life Member, **Keith Medhurst**. Recognised as the foremost financial person in the Australia wide network of G.M.H. Dealerships! Recognition of his outstanding commitment to maintaining the financial performance of the group of dealerships in Adelaide, Prospect, Reynella and Holden Hill. Number 1 – well done.

**Photos:** couldn't locate one of the *Captain* – so **Cassandra** kindly fills in – I suspect Cassandra directs the activities of the "Captain" in any case - with Keith on the right.

"Really," says Mick "have you seen how many of their owners go blind."*

*My neighbour knocked on my door at 2:30 this morning, can you believe that? 2:30am? Luckily for him I was still up playing my Bagpipes.*
