We ran a distant second. Top versus bottom. We weren't that bad though. They were just quicker, more precise, and had many more options. We were out of the blocks and attacking the goals, raising the first goal, but we all had to be on-song to give it a shake. Josh Vines was in dominating form out of the centre and then out of the game injured. Our drive from centre was seriously restricted and when another of our runners in Johnny Page was also off, we only had one interchange and two of our speedsters, able to counter theirs, were out of the game. We then became seriously undermanned. John did return in the final quarter. The return of Shane Smith to centre half back was a revelation. He took the game by the scruff of the neck and rebounded all game. But from when Vines left the Over.....

ROSEWATER B GRADE Rosewater 3.4 (22) v Glenunga 23.15 (153)

We were well and truly beaten. This game saw the return of Travis O'Neill. We lost Heath (O'Neill) who returned last week to injury and gained a couple more back. Jarred Moore and Kenny Sumner were inclusions. The team is getting a "younger" look to its composition and with a couple more in the wings, plus returns from injury, the outlook is bright. In this game we were outclassed by a better team. We had many good contributors. Additional to those mentioned in the best players could be added: Teejay Surace - a former junior returning after some years away and put in a good one. Alex Shaw was very good in ruck, particularly in the second half, and Brian Reid got a big job at full back and did restrict their full forward with a concentrated effort. Eddie Graham-Vanderbyl demonstrates all the skills!

Best: Wayne Batters will run into fitness and the A Grade - a great game with obvious skills. Mark Baryczka always gives his all and he too would be under higher consideration, Brett Gooley leads from the front and makes a contest. Good marking and disposal. Kelton Young gathered many possessions in his 101st appearance. John Murray a terrific performance again. Those AFL scouts would be impressed!

Goals: Travis O'Neill, Eddie Graham-Vanderbyl, Brett Gooley - each one!

ground, Glenunga got on top and what started as a small leak of goals became a cascading flood. But while we were chasing and we did many times, we looked very good. Good marking and kicking to position. We had many good players and registering 12 goals is a good return on a normal day. But Saturday was not normal. Glenunga dominated from quarter time until three quarter time, when we both kicked five in the final. However the damage was done in the middle two quarters. Many positives and our next game against Fitzroy will see how we are to fare for the rest of the season. We have played the top four teams in our first four games to be in the game against two of them, but going down badly in the other two. **Best:** 1. **Shane Smith** at centre half back, marked and rebounded all game. Ran down a quicker small in the final quarter to add insult to his attempt to evade. A great game - one to be maintained all season. 2. **Brad Taheny** had the running boots on again. Had to cover the loss of a couple of our runners and ran the entire game and ground. 3. **Scott Jacobsen** is running into form with desperation at the ball. Wins many frees with his intense attack on the ball. 4. **Shane Gates** has impressed with his anticipation, and interception, out of the back pocket. Good mark and precise disposal is a credit to his personal endeavour to develop himself to an A Grade player. 5. **James Carson** again gets to where the ball falls, or conversely, is where it falls. Good marking again. Many possessions. In all we had many good players, and we did look good - but our opposition were better served where it counted - on the scoreboard. **Goals:** Brett McPherson 4, Robbie Cains 2, Singles: Adam Rumbelow, Taheny, Carson, Chris Forster and Dav Baumann. **Next week:** Fitzroy and we will give a much better account!

OLD DOGS: Masters Round 3 at Murray Bridge

Rosewater 5.5 (35) River Murray 11.7 (73)

We lost by 38 points. A real turn up as we thought we would power over our opposition. Too confident perhaps!

Goals: Highfold, Silver, Uzzell, Peewee, Mugg all 1

Best: Sinclair Rogers Sansbury Uzzell Carbone Silver

Next game: Fitzroy @ Fitzroy 12.30 start!
