

FINANCIAL MEMBERSHIP IS THE STRENGTH OF THE CLUB

OUR FIRST GAME

This coming week will see the fruits of our recruiting. We would be looking for a good showing, given our retaining of players from last season, and the recruiting over the "off season".

Some new faces and returning ones will be: **Dylan Frank** – local player but last year played at Encounter Bay. **Jarrad Schar** – former junior who went off to play with his school (CBC) and moved on to other areas. Played in the country last season, however was playing in Division 2 a couple of seasons ago. **Justin Lesiuk** – father, John, has been a member for some time and influenced Justin to play with us. Justin is a mobile ruckman/forward who was outstanding in the trial against Woodville South. **David Giuffreda** – a likely wing/half forward **Ryan Paget** – from Bordertown and will slip into defence **Matthew Lyons** – played some years ago – returns from West Croydon **Aaron Rowan** – as with Matt Lyons, returns from West Croydon. Those of our old group remaining include: **Tyson Jacquier** – another run out of the back lines **Tyson Thomas** – will have plenty of support in the forwards this season **Shaun Jacobsen** – back from injury but jagged an ankle in the trial – so a couple of matches away **Chris Forster** – a good year ahead. **Adam Rumbelow** – going again as a fix-it forward or back. **Doc Reardon** – outstanding year coming up **James Carson** – also looks in good form early. **John Page** – plenty of pace **Brad Horsell** – should pull on the boots as the magic is still there. **James Deeley-Godfrey** – former junior and when not with the Magpies will be great. **Todd Shannon** will add to the mix **James Grant** kicked a couple of magic goals in the trial. All in all, we should look forward to the season with reasonable confidence. We weren't that far away last year, but fell over with depth – which has been addressed. Will include further new players next time – including my mate **Hughie** and **Adam Cross**! **And of course many may think I've missed that kicker of goal, note goal, I missed in the last report – Josh Vines! Over to them now.....**

UNDER WAY THIS COMING SATURDAY

We are away to Central United in the first round of 2013. Having only had the one trial match, that a successful one against last year's premier in D6, we should acquit ourselves well in this encounter. But one never knows until the dust actually settles after a couple of rounds.

GUERNSEY PRESENTATION

Every season we have a Guernsey presentation evening. This will be held on **Thursday 4 April (tomorrow)** after A grade training. All members are invited to be present. In the past we have had good support for the players at this function. This year, with our expectations of a successful season, you are requested to come along. Meals are available.

CATERING RECEIVING FAVOURABLE COMMENTS

And on meals the word is out and about locally. Mrs Uzzell called last week enquiring (on behalf of neighbours) regarding the meals – as did a couple who were knocking on the door (the same day) looking for lunch. They too had heard our ladies were excelling in the kitchen.

U12 Coach Required

Due to a change in work commitments to the appointed U12 Coach, which now precludes him performing the role, our Junior Committee is looking for another person to fill this position. We have a good group of players who will respond well and they are looking forward to a successful season. But a coach is needed. Coaches need to pass a Police Check and also be accredited to Level 1, or be prepared to undertake accreditation to this level. The Junior Committee will fund the accreditation costs. But overall we are looking for a committed person, confident in taking the players forward. Previous junior coaching would be favourably looked upon.

The Mighty "Old Dogs" start their season off this coming weekend. Their first clash will be an away fixture at Reynella. First up will be a challenge with the Phantoms, a pretty good opponent.

B Grade:

First off – Chappy is back!

Aaron Chapman takes up the manger's role

Ben Kelly is back after working up north

Tony Howard pulls on the boots again

Brian Curtis remains as a reliable contender

Shane Gates and Mark Rothwell both shone in the trial and will put pressure on for a spot in the A's

Dylan Sinapius is new and has got his father (Andrew) out of retirement (or playing in the "Old Dogs") at least for a couple of games

Ryan Medhurst had a good trial and his leg improves each game – another putting the pressure on

Shayne Mitchell will also put his experience to the fore and challenge for A Grade

Also, I'm told former regular "A" grader in Andrew Jones has had a change in work and will be a regular.

And we have the regulars in Lima, Kooyman, Gools and co

So both our teams should give a good account of themselves.

Looking forward to a good season.
