Rosewater 3.6 8.3 12.13 19.16 (126)
Central United 2.0 6.2 8.5 10.9 (69)

A first up win, away, and at Moffin Park – a difficult venue to bring the points away from. We were in control all day. But Central United were still in the game going into the final quarter – when we were kicking into what wind there was. Many were concerned – but as it turned out we really outplayed them in the last quarter 7.2 to 2.3 to take out a very good first round win. There was plenty of endeavour for the whole of the game. The “run-down” and spoil of Josh Hicks, in the first quarter, set the scene. While we had a lot of possessions, our kicking on goal was not as clean as we would have liked. As the game progressed our skills increased. We were getting the ball out of the centre and things were going well. Our defence was rebounding and once the forwards got their sights set we did very well. Central United were a very good opposition and our win augurs well for the coming season.

Best: All played well. 1. **Jarrad Schar** was the focal point in the forwards and kicked well. 2. **Adam Rumbelow** at the other end repelled all day with clean possessions. 3. **Justin Lesiuk** in ruck gave us first use and his body work was strong. 4. **James Deeley-Godfrey** provided plenty of run and has very good skills. 5. **Tyson Thomas** was pivotal at centre half forward and gave us grunt! Others to do well: Dylan Frank out of centre, Todd Shannon is an elusive goal kicker, and Doc Reardon burst on the scene, with some players stats accumulated in the first quarter and continued to be good all day. **Goals:** Jarrad Schar 6, Todd Shannon 4, Hughie Johnson-Schroeder 2, with singles to: Tyson Thomas, Josh Hicks, Justin Lesiuk, Chris Forster and Brad Horsell.

This Week: We are home to Lockleys. A couple of years ago, R13, 2011, we really thumped them at home. A lot of water has passed under the bridge since. They are off with a good first up win – and with players returning (from a wedding) we will need to be on our metal – but we will make it two in a row!

A DOCTOR TURF BURGER

"What looked to a be an easy centre clearance and an attack on goal created from a sublime hand pass from Vines to a full paced Reardon in the clear running off his wing, only resulted in a memorable moment when Reardon completed a turf eating swan dive after failing to negotiate the cricket pitch."

B Grade:

Rosewater 10.13 (73) Central United 11.8 (74)

Our B Grade put on a terrific display. The new players to the club injected new life to the team. Coupled with those players who have been the backbone of the team and we got within ONE point of the opposition at the final bell! If we had kicked a bit better we would have won!

It was a very good display and one where we can take heart that our season will be one where we will win our share of the games.

We had plenty of good players. But sadly we were astray, early on particularly, when scoreboard pressure had to asserted. We had lots of best players.

Best: 1. **James Grant** – on the prowl all game. Likes to get to kick at goals too. 2. **Brian Curtis**, on a very good player, got right on top and repelled from fullback with distinction. 3. **Mat Kooyman** again in the backlines and did some terrific things in rebounding the ball. 4. **Mark Rothwell** next to Kooyman was also strong in the air and made our half back line one of strength. 5. **Kelton Young** got amongst the goals in the end. Not for lack of trying but gave a good all over ground display. Others to do well included Alex Shaw, Ryan Medhurst, Shane Gates, Brodie Cahill (particularly strong at the ball), John Page and Thomas Petruzzelli.

Goals: Kelton Young 4, Tony Howard 2, James Grant, Ryan Medhurst, Brett Gooley, and Thomas Petruzzelli.

Rosewater 1-1 7-3 10-4 11-5 (71)

Phantoms 4-2 5-4 8-5 12-6 (78)

Goals: Rasheed 4, Sinclair 3, Mildren, D.Miles, Weetra, Sansbury all 1.

Best: Sansbury, Rankine, Rasheed, Ginever, Coles, Ceroni. Great numbers for our first game. Debuting for the Old Dogs were Mark Fistr, Tim Ginever, (See photo over) Glen Jones, Steve Olthoff, Robert Rae, Ronald Rankine and Rob Sandona.

The Phantoms had first use of the breeze and the slope of the oval and opened up with a four goal to one opening term. “Beefa” Mildren kicked our solitary goal for the quarter. It was our turn to kick downhill with the breeze and we used it well kicking six goals for the term with the Phantoms kicking the one solitary goal for the quarter. Stevey Sinclair snagged a couple while Rash, Keefy Weetra, Daniel Miles and Ian Sansbury all kicked one for the quarter. In the third term we needed to hold the Phantoms and we did so. Both sides kicked three goals one behind for the term, and in this quarter Rash dominated the forward line, kicking three goals. We managed to stay level with them in the third quarter giving us a two goal buffer leading into the last and with the breeze at our back and kicking downhill! It was a matter of how far... but someone forgot to tell the Phantoms how it was meant to unfold and with the breeze swinging back the other way, we could only manage one goal for the quarter thanks to Sinclair whereas the Phantoms kicked a lazy four in the last to get over the line by seven points! I think the fitness director needs the sack! Thanks must go to JR for his tactical nous helping Frank on the sidelines and to Wayne and Dylan for running water and time keeping. Oh for next time!
