VALE

Late last week **Raelene Thomas**, wife of Kevin, passed away after a long illness. Raelene was a pivotal person in activities associated with the Club and she will be fondly remembered and sadly missed. Condolences to Kevin and all his family, many of whom are still active around the Club.

A GRADE Rosewater v Lockleys – at home

Rosewater	4.5	8.7	12.10	15.11	(101)
Lockleys	2.0	5.7	7.10	10.16	(76)

We started off with a slight breeze to the Newcastle Street end. We were into attack early, with a series of points, but Lockleys scored the first major. There was plenty of pressure and a lot of turn-overs but in the second half of the quarter we established ourselves to be in control. Our kicking was a little astray and we could have been much further in front. But we had good players all over the ground and looked the better side. Brad Horsell slotted 3 for the quarter. In the second Adam Cross got into the mix with a "driving" performance in and around the centre bounces and Horsell added a further 2 to his tally. Justin Lesiuk dominated in the ruck and with plenty of winning players we looked good. But Lockleys, a good side too, were always on the challenge. Tyson Thomas and Brett Quinlivan were also active and Matt Lyons was out and about from the backlines. At half time we had a good lead which could have been better. Our unforced turn-overs, and early in the piece 25 metre indiscretions didn't do us any favours. These were the downside of our play. But going in at half time we were looking good with all players having an influence.

A Grade Continued.....

We were out and about in the third quarter adding a further four goals to the tally with Jarrad Schar getting 3 of them. The difficulty for the opposition is going to be our two, or three, pronged targets at the goal front. In trying to cover Hors, Schar is let loose, and the return is on the board!

The final quarter had us into what breeze there was and Lockleys out scored us 3.5 to 3.1 – but our lead was enough to see us comfortably home!

Best: **1. Brad Horsell** with his 8 goals and commanding presence at full forward took all before him. An occasional run on the ball with deliveries from well out. **2. Jarrad Schar** was not far behind with goals and an occasional run on the ball. **3. Adam Cross** added “grunt” to the centre square and got the ball forward, out of the packs, relentlessly. **4. Dylan Frank** was a “twin” to Cross and gave us a run at goal. **5. Rhett Quinlivan** gives his all, and attacks the ball, with no thought to his own safety. Others to excel included Tyson Thomas, David Guiffreda, Hughie had a big influence, Doc (Reardon) continues to run, and Lesiuk dominates. **Dominates!** Lyons ran forward from the backlines and Rumbelow mopped up. Todd Shannon was again a great contributor. All played well and all were involved in a great team win!

Goals: Horsell 8, Schar 4, singles to Thomas, Reardon, and Lesiuk.

This Week: University @ University
This is a danger game. University playing on their own turf, without a blade of grass out of place, in their magnificent surroundings, will be a game to savour. We will go in as favourite, and this may be the problem. We will need to be at our best, as Uni will not give in. However, with the team commitment shown so far this season, we will win! And win well!

B Grade

Rosewater	1.0	5.1	10.1	12.1	(73)
Lockleys	2.1	5.2	6.5	8.6	(54)

We got up for a win in the B's as well as the A's. The last time this happened was in 2011, in round 18, when we were facing relegation. We won then and this time we won well. A new team enthusiasm and with many players committed to the cause we came away with the points. Great attack on goals where we did not “blaze away” and the result was on the board.

Our best: **1. Tanka (James Carson)** was here. Tanka was there. Like “Chicken Man” of the 1970's radio shows – he was everywhere! He dominated the game and we came away with a good win. **2. Kelton Young** is also performing to a standard of yesteryear. Not that far off but he has always had the ability and now has got the bit between his teeth and is performing where he is putting pressure on the A Grade squad. **3. Mark Baryczka** fronted for his first run, for points, this season, and as bulldozers go, demolished the opposition. **4. Nathan Hoare**, a young lad from out of nowhere, demonstrated an experience that was hard to believe. **5. Tom Pettuzelli**, fast becoming a “cult figure” also got amongst the stats. Add to this the consummate skills displayed by Scott Balchin and the every reliable expertise of BC (Brian Curtis) and it is apparent a new era for the B Grade has arrived. Mark Rothwell was about the place too. And by the way the single point was scored by Carson – should have been dragged!

Goals: Tony Howard (marking display provided), Nathan Hoare, Kelton Young 2, with singles to: A very hungry Josh McDonald (no more backlines for me). Daren Sinapius, Carson, Alex Shaw (Dominates the ruck), and Brian Reid (another good display!). Well done to all.
