### VALE

Life Member, Don Burgess, who recently featured in this newsletter, when he visited the Club, has passed away. Don will be remembered with fondness, particularly for his involvement with the Meat Monsters of Sunday Afternoon fame, and in earlier times for the work he did around the Club. Our thoughts are with his family at this sad time.

### A GRADE ANOTHER WIN – 4 ON THE TROT!

ROSEWATER	3.1	8.8	12.11	16.16	(112)
MITCHELL PARK	3.3	5.5	7.7	9.9	(63)

On ANZAC Day we had our fourth win from four outings. We lost the toss and opened into a breeze, perhaps three or four goals, which had us under pressure. We didn't want Mitchell Park to get their confidence up, as they had the wind at their backs, and reports were they are a good combination. Out of the blocks early and with confidence building anything can, and sometimes does, happen. We opened with speed and aggression and Shaun Jacobsen, in the forward pocket opened our account with full points. Jarrad Schar, moved to ruck to cover the unavailability of Justin Lesiuk (someone has to drive the Admiral around on ANZAC Day), put the ball to our advantage, one Josh Vines was exploiting with run. Hughie Johnson-Schroeder started as if he owned the ball and our first quarter was good. Parks were about the place with a big full forward, but our defence was on top and our 3.1 to Park's 3.3 was a favourable return in the conditions.

### ANZAC DAY – A GREAT SUCCESS

Many supporters were present for our ANZAC Day. In the interval between the reserves and senior grades our President conducted our ANZAC Day commemoration. We were joined by the officials – the SAAFL Umpires, central and goal, and our opposition Mitchell Park, with their two sides. With the support of those mentioned the ceremony was appropriate and appreciated by those present.

The Ode was read by “Old Dog”, and former army serviceman, Dennis Umpherston. Our trainer in Laurie Marshall looked the part bedecked with his service medals, and was also part of the ceremonies.

Later in the evening at presentation, Matt Lyons, won the ANZAC Medal as best player. Matt had a dashing game from centre half back.

Also at presentation the BIG BBQ raffle was drawn. Winners are listed below.

## A Grade Continued.....

The second term was where it would be determined which team was going to come out the winner. This term, with the breeze, we established ourselves as the dominant side, however, our inaccurate 5.7 to 2.2, allowed Mitchell Park to still be in it. But the writing was on the wall! Tyson Thomas was a target at centre half forward and Hughie's stats gathering, gathered pace! Shaun Jacobsen was treating himself to a day in the forwards and contributed a further two to his single in the first. The ball was being rebounded from the half back line where Matt Lyons and David Giuffreda were outstanding. It only went into their forwards four times – but they did come away with 2.2! The third quarter was the quarter in which Mitchell Park had to get going to establish a lead, and then hold us off in the final, when we had the wind. Thomas got right on top at centre half forward and Jac put through three more to take his tally to six! Schar was dominating the centre square and driving us forward with constructive ruck work, allowing Vines and Dylan Frank to burst out of centre. And other players were right on top. Giuffreda, Chris Forster, Doc Reardon, Ryan Paget and Todd Shannon were too quick (and hard at the ball) and as a group we forced the ball forward. We eclipsed them and 4.3 to 2.2 against the wind, setting the scene for a large final quarter. We did come home well. 4.3 was again a little inaccurate with the highlight perhaps Schar's soccer goal, early in the quarter, and starting our run home. We doubled their score, plus 6 points to spare. A good result over a team which is well fancied in the division. Again a result where all players contributed, with sadly those on the last line not having the opportunity for much input. But a very good result.

**Best: 1. Matt Lyons** took out the ANZAC Medal. He cut out the direct route to goal and rebounded all match with pace and good anticipation, from CHB. **2. Jarrad Schar** dominated the game. He won every tap, put it to advantage, and then backed up with an outstanding running game. **3. Josh Vines** ran all day. He was powerful in the packs and just kept on putting us forward. **4. Hughie J-S** had his own ball in the first half, and was very serviceable in the second – but they all wanted to kick to Shaun Jac to make Jac look good! **5. Shaun Jacobsen** did look good and rewarded himself with 6 majors from the pocket.

David Giuffreda, Ryan Paget, Tyson Thomas, Chris Forster and Todd Shannon all unlucky not to be in the top 5!

**Goals:** Jacobsen 6, Horsell 4, singles to: Thomas, Vines, Forster, Joel Pettersson, Hughie J-S, and Schar.

## B Grade

<b>Rosewater</b>	<b>1.1</b>	<b>1.3</b>	<b>3.5</b>	<b>7.7</b>	<b>(49)</b>
<b>Mitchell Park</b>	<b>2.8</b>	<b>4.9</b>	<b>9.12</b>	<b>10.13</b>	<b>(73)</b>

Our B grade didn't get off the bus until after the three quarter time break. By that time the horse had bolted and we were playing catch-up football with a serious degree of catch-up.

We were too slow and Mitchell Park had a much taller side. In the first quarter we had 2 shots on goal to our opposition's 8 and it did not look good. We didn't improve in the second for what was a dismal result at half time. We had several players well on top, with James Carson leading the way and others under notice including Mark Rothwell and Kelton Young. We started to gel in the third quarter. Our fight back was led by Ryan Medhurst who got the ball and put it forward to advantage. Nathan Hoare was also influential and we started to build into a team game. While we came home with a four goal to one final quarter we had let the lead blow out too much earlier in the day. **Best: 1. James Carson** again with a running and ball gathering display where he is able to get on his own and gather at will. **2. Nathan Hoare** demonstrates the skills and was an avenue of attack. **3. Ryan Medhurst** turned our game in the second and third quarters. **4. John Page** explodes off the wing and competes on every occasion. **5. Kelton Young** likewise to Page is always a contributor and dangerous around goals. Others to do well included Mark Rothwell, Brian Curtis and Mark Baryczka. **Goals:** John Page 3, Tom Petruzzelli, Mark Baryczka, Kelton Young, Brian Curtis – all 1. **This Week:** We've lost two games by a total of 3 points – and this last one – we are about the place and against Westminster OS we will give a good account and take out the points!
