

## Rosewater Old Dogs

~ The Loan Hound ~ Darian Roberts ~ Reephams Hotel ~  
~ Portside Office National ~ L J Hooker (Woodville) ~

**Sunday 21 April 2013**

Rosewater	2.1	3.5	7.8	9.11	(65)
Mid North	2.3	4.5	5.6	6.7	(43)

**Goals:** Rasheed 3, Burrows 2, Sinapius, D. Miles, Rankine, Sansbury, all 1.

**Best:** Umpherston, Rankine, Sansbury, Ceroni, Weetra.

The Old Dogs ventured to Athelstone to play the Mid-North team on a bleak, rainy wintery type day and many would have preferred to stay in the kennel. Mid-North could only muster a handful of players and with the huge bench due to the enthusiasm of the "Old Dogs" we were able to divvy up the players and defy the elements and have a great contest rather than pack-up and drive all the way back down Grand Junction Road. Steve Bastian made his debut and played very well. Robert (Porky) Young made a return after a year out. Thanks to young Sammy for running water after putting in a stellar performance in the juniors earlier.

**200 games for MARK BARYCZKA**

*Not a good likeness\* – I had to go back a number of years to find a photo. Mark is renowned for his shy and tentative approach to packs, and this is reflected in his non appearance when it comes to having his photo taken. In this photo Mark has hair. You will note that now, probably due to his Kamikaze approach to clearing packs it has all worn off! A great effort over a lot of years and Mark is the ultimate team man, always up to doing a lot more than his share!*

*\* Mark would argue that he is much more handsome now than way back in 2007.*

#### **Grasshoppers:**

Having a big percentage of new players to our club this year, our "Little Doggies" Grasshoppers are playing well together. **Austin** and **Seth** played a great running game and having **Kane Pentland** back into the team was like riding a bicycle for him. **Mitchell** has really grown into a leader as a Grasshopper.

#### **U10's: Rosewater v Henley**

The slightly bigger "Little Doggies" took on Henley Sharks and had a great game, all the boys did an excellent job against a team that certainly knew how to use the handball and use it well. We started well keeping their score to a minimum and then scored early in the 2nd quarter with a mark and goal in the goal square from Isaac. From there it was a little brutal, with a couple of our players getting heavy knocks. To their credit they all got up and soldiered on. To the 3rd quarter we pushed on with a great running goal from Jordy from so far out we were surprised he could see the goals! Lovely to watch!!!

**Best players** are hard to mention when everyone puts in such a great effort, but special mention must go to **Liam Ueding on his 50th game for**

**Rosewater**, well done Liam and a great game to boot.

## Rosewater Juniors

#### **U12's: Rosewater 8.10 (58) SMOSH WL 1.1 (7)**

Our Under 12's finally found themselves this week and every player played their part well. We came out firing with Josh Bartley scoring the first goal within minutes, and Josh Morris scoring a goal not long after that with Rosewater dominating the play in the first quarter. Although SMOSH WL gave it their best, we continued our strong start with all players following instructions, great communication, and excellent team work throughout the whole game.

Our defence was held solid by Deacon, Hunter, Gordon, Brandan and Jyerell. We also had Kiana and Kerryann giving Smosh a good taste of our girl power and run for their money. Great rucking by Adrian and a consistent solid performance from Jack, Anthony, Tyson, Ethan, Lindsay and James. In the end it was our fitness, desperation, and great team work by all which contributed to our well deserved first win of season 2013.

**Best: J Morris, D Braun and the whole U12's team**

**Goals: J Morris 4, J Bartley, T Wanganeen, K Lee, B Quin 1**

#### **U14's Rosewater v Flinders Park**

**Rosewater 25:14 to Flinders Park 0:3.**

If you have not been reading the newsletter you may not have heard about the amazing start to 2013 that our Under 14's team have had. This week against Flinders Park the Mercy Rule came into play again.

**Best: Patrick Hillard, Izak Rankin and Kale Christopher.**

**Goals: We had 11 goal scorers this week**

**Kobe Rankin 7, Eddie Milera, Izak Rankin 4 each, Shane Shulver, Tylar Morris 2 each. One each to Matt Wanganeen, Paddy Hure, Tremaine Gollan-Davey, Will Naera, Toby Aldridge, and Ray Burns.**

Next week's game is against Henley who are a dominant team in the Juniors. So if you would like to show your support we are playing at home again. We would love your support to see if we can continue on this winning run. We all hope we will have a fairy tale ending in September.

#### **U16: Rosewater v Woodville South**

Our boys jumped out of the gate quickly and efficiently, unfortunately we lost momentum in the next two quarters, managed to regroup in last, with some positive signs and positives to work with. We were beaten comprehensively with usual players in the fore. We've got to learn from errors and build on this. Our boy's efforts are good and we will improve this week – where we are at home on Friday night – come and see us!
