A GRADE CONTINUES UNBEATEN RUN

Rosewater	3.5	4.7	7.9	13.14	(92)
Mawson Lakes	4.1	7.6	8.8	10.11	(71)

In the last couple of matches we haven't exactly set the world on fire with our performances – but we have won! Last Saturday we were again slow out of the blocks - inaccuracy in the first put us behind a bit, and then we played catch up football for most of the game. In the first quarter and for much of the game we gave away too many free kicks. In the end the frees went 39 to us and 42 to Lakes, but early on we “assisted” Lakes in their scoring department. We had Brodie Cahill on debut and Kelton Young made a return to the seniors. In the second quarter we were outscored 1.2 to 3.5 and at half time things didn't look good. Brad Horsell came to the rescue at the long break and with a couple of moves and some expert directions, after the break we looked a much better side. We got our running going with Cahill dominant, while James Deeley-Godfrey was allowed all the latitude he wanted. Adam Cross gathered possessions all day, put his head down and the move of Tyson Thomas to ruck gave us a lot of mobility around the ground. Todd Shannon was also firing and our game went up several notches. But at three quarter time we were still adrift by 5 points – and it looked as if we were coming home to the less favoured end!

Kelton came to the rescue with a snare and kicked truly and we hit the front. Mawson Lakes replied and regained the lead. Then one of their backmen “did everything you are told not to do” and he kicked

200 MEMBERS

We've achieved our 200 members. Now targeting the magical 250! The member taking out the coveted 200th membership is Chris Pedersen. I am advised: “Critter” played State football 1987, 1989, 1990, and he played for Riverside, while his son plays for Portland. Great to have 200 and congratulations to Chris, however his antecedents preclude the car (Portside Mitsubishi Pajero, the “Around the World Tour” and the boat!).

ROSEWATER JUNIORS TO SANFL

Robert Young, Medal Winner with our Juniors, (left) has been selected to play with the **Port Adelaide “Magpies”** – something all who saw him playing a few years ago knew would be a “certainty”. Another former junior **Jason Nyoskohus**, another **Medal Winner**, (right) is also playing seniors with **Port Adelaide “Magpies”**. He too is a former Junior Medallist – and you need not have been a Rhodes Scholar to deduce that both were destined for higher representation!

Rosewater A Grade

Continued.....

across the face of goals and pin pointed Todd Shannon who rewarded his effort by taking the 6 points! This demoralised them. The flood gates opened and we rattled on four goals and took the game away!

Best: We had a couple with outstanding games.

1. James Deeley-Godfrey ran up and down the ground, possession after possession, and delivered with precision – an outstanding game and one wonders why no one stood him – perhaps he was too slick! **2.** The other, with a game considerably different was **Adam Cross**. Head down, kicking forward from packs and getting the ball out – he gave an equally good display. **3. Tyson Thomas**, at CHF and in the ruck was a mobile target and his move onto the ball lifted the team effort. **4. Brodie Cahill**, in his first game ran hard and gathered many possessions. **5. Kelton Young** recalled after many good games in the reserves was a spark in the forwards and likes to kick a gaol! Others to do well included: Josh McDonald was mean at full back, Todd Shannon, David Giuffreda (injured late), Joel Pettersson (took the pressure mark of the match), Doc Reardon and Tyson Jacquier, and Brad Horsell was always dangerous in the forwards or on the ball. Dylan Frank had a very good final term.

Goals: Horsell 3, Todd Shannon 3, Jarrad Schar 2, Deeley-Godfrey 2, singles to: Josh Vines, James Carson, and Young.

RESERVES

Rosewater 15.9 (99) v Mawson Lakes 11.6 (66)

Our reserves team is up and about. They have missed winning two games by a combined total of 3 points and last week had an outstanding win against Mawson Lakes. They have a good combination where many of them are improving each week. Two in particular in Matt Brame and Tom Petruzzelli have come on in leaps and bounds. Petruzzelli's dash and run to end up with him slotting a goal was something to see! A great effort.

Best: 1. Mark Baryczka 2. Josh Hicks (has to be A Grade but not a spot!) 3. Shaun Jacobsen 4. Tom Petruzzelli, 5. Tony Howard – likes to take a grab and kick a goal!

Goals: Howard 5 Jacobsen 5 Dylan Sinapius, Hicks, Petruzzelli, Andrew Jones, Brame – all 1.
