#### U10:

A great morning for footy, our Little Doggies got plenty of it all game with some really good work from all the kids. It was more than pleasing to see the boys and girls doing all things we have been practising, and doing them well, holding position, fighting for the ball, using the wings and moving the ball forward etc, all this resulting in a great goal from Liam U due to some great work from Isaac, well done boys. Some great body work and bumping from Harry and Archie made the opposition think twice before trying to barrel their way through all the time, however our Sunday morning awards went to Hayden for his excellent use of his body, bumping isn't in his vocab, it's just easier to simply push the other kids over (legally) and get the ball, great work Haydo, and Isaac for his run and fight for the ball.

**Special mention to Liam Pentland on his 50th game, WELL DONE.**

## Rosewater Juniors

#### U12: Rosewater 6:8 (44) v Lockleys 6:3 (39)

This week the 12's travelled to Lockleys for what turned out to be a great game of football and nail biter to the end. Unfortunately due to injuries and other circumstances we were only able to field 14 players which prompted an accommodating Lockleys to lend us a player! Some early goals to Kiana Lee and Josh Morris allowed us a slight lead and after some fantastic defensive efforts from Brandon Quin the team was able to get to a 5 goal lead at 3/4 time. The last quarter however was all Lockleys and after four quick goals they drew within 5 points and had a shot for goal after a very overdue siren to try and steal the win! The kick didn't make the distance and the Dogs win by 5 points! As Gordon summed it up, we were all "caught in the moment" and everyone involved was especially PROUD of the way the WHOLE team lifted and found that extra 10% that was asked of them to cover the low numbers and I'm sure this took its toll in the last 5 mins! Special mention to Jack Stanton on his courage and commitment! Fantastic work guys as we now move into the top 4 on the ladder & take on West Croydon this Friday night AWAY under lights.

**Best:** Anthony Giacobbe, Brandan Quin, Kiana Lee, Josh Morris, Jack Stanton

**Goals:** Kiana Lee, Josh Morris 2, Anthony Giacobbe, Lindsay Goldsmith 1

#### U14: Rosewater 11.11 (77) v Portland 5.2 (31) @ Portland

Finally a real game of Football between first and second on the ladder! During the first quarter we only led by 1 point, which was really the wakeup call the Under 14's needed to remind them every opponent should be shown respect. The first and second quarters were very tight scrappy affairs with Portland holding us to just 3 points in the second quarter. At half time we led by only 16 points and this is only the second time this season so far that our team has really had to play a full four quarters to get a result. At the end of the third we led by 24 points but the game still felt tight. The coach was able to utilise the versatility of our squad by moving the players from forward to the back line and still get results out of them.

**Best:** Will Naera, Izak Rankine, Cory Walker with Tayzer McBride having a fabulous first quarter.

**Goals:** Izak Rankine 4, Kobe Rankine 3, Tayzer McBride 2, one each to Jacob Sansbury and Eddie Milera.

Only one introduction this week **No. 27 Tylar "Brutus" Morris**. Not that he really needs much introduction given he has grown up around the club having played with the juniors since Grasshoppers in 2007. Tylar has had a couple of seasons out of the game returning last year with the goal of achieving 100 games. As the coaches nick name for him suggests "**Brutus**" is a solid backman with a Big Kick and he does not mind pushing forward and sneaking the odd goal when he can. Yet another of our players who have been loyal since Little Doggies time. The team rightfully deserves the opportunities in front of them this year – one where a Premiership is now a reality.

**U16:** We played and were outclassed by a better side. However this is the first year we have been in the U16's for some time. On a couple of occasions we dashed to the goal front, with a very exciting brand of football, and we did put several goals on the board. But in the end it was a 33 goal to 3 result. All put in and are to be commended for their efforts.
