### A Grade ....cont

At half time we had our noses just in front, but Lockleys were challenging. We had to have a big third quarter to build a lead to take into the final quarter, as the writing was on the wall that scoring to the southern end may not come off all game. We did rattle on goals. Doc Reardon hit a purple patch and slotted two while Josh Hicks "fired up" with one and Hors and Vinesy notched goals too. Tyson Thomas and Chris Forster were about the place and picking up possessions with Chris's pace something Lockleys couldn't compete with. We established a fair buffer and the game looked to be ours.

In the final quarter however we hadn't told Lockleys and they didn't keep to our plot. They jumped out of the blocks and rattled on four goals 4 behinds, with only a single goal to Lesiuk interspersed and we were chasing. Things weren't looking too bright. Pettersson was strong in defence and took a couple of match saving grabs and then we steadied with Brad Horsell registering two goals. We ran out winners by 17 points! **Best over....**

### ANOTHER WIN FOR NINE IN A ROW

Rosewater	4.5	8.10	13.13	16.15	(111)
Lockleys	4.3	7.5	9.11	13.16	(94)

Lockleys are always tough, particularly on their home turf, but we came away with a win, even though our game was not one of our more cohesive efforts. We've had several "untidy" wins in achieving our unblemished record this year. This one wasn't one of the prettiest of matches but we took the points and that is all you need to do. We had a couple out – Dylan Franks, Todd Shannon, James Grant, James Carson, and James Deeley-Godfrey, who got a call up from the 'Magpies', while Brodie Cahill, who made his A Grade debut a couple of weeks ago, was also a non-starter! Justin Lesiuk (hammy), Ryan Paget and Doc Reardon (both from interstate work), and Tyson Thomas returned. Our team was good.

Our first quarter was fairly ordinary. A standout performance from Matt Lyons at CHB was a highlight while Shaun Jacobsen at CHF was a focal point. Adam Cross started pretty well and we were in control but not looking as fluent as we would have hoped. We were with the breeze and Lockleys did very well in registering 4.3 into the conditions. Justin Lesiuk kept us in it with a couple of goals.

The second and we did better into the wind than we could have expected. It appeared the southern end was the scoring end and we had a lot more cohesive run, particularly off half back with Doc Reardon, TJ, and Joel Pettersson prominent.

#### A Grade:

**Best:** 1. **Joel Pettersson** in defence and very reliable when the chips are down. A couple of classic pressure grabs to repel constant attacks. 2. **Tyson Thomas** from the centre position and moved around the ground with dominating marking and long kicking.

3. **Shaun Jacobsen** takes a good mark and is a key player forward or back – but mainly back given his goal kicking exhibition! 4. **Chris Forster** ran them off their feet and caused a lot of frustration for one opponent which resulted in a goal to Hors!

5. **Doc Reardon** was electric around the ground and registered a couple of great goals, and just when we needed them! Others to do well included Adam Cross, Josh Hicks (but needs to control himself), David Giuffreda and Jarrad Schar. Ryan Paget off the bench played well too.

**Goals:** Doc Reardon 3, Brad Horsell 3, Justin Lesiuk 3, Josh Vines 2, Shaun Jacobsen 2, Josh Hicks, Adam Cross and Chris Forster – 1.

**This Week:** Central United – a team which makes a habit of coming home in the second half of the season with a lot of dash. They thrashed Mawson Lakes last week and they are very confident coming to this game. We will need to be out of the blocks and firing early – once their confidence is cut their performance will diminish!

#### Rosewater 5.3 (33) Lockleys 17.14 (116)

Not a great result for us. With the players out of the A Grade several go up. And with a couple not available our team balance was not as good as normal. Lockleys have been a big improver since we beat them first time up this year. But we were given a drubbing this time around.

We struggled to have consistency over the entire game and Lockleys had a couple returning (A Graders) from injury to compound matters. We were blasted in the first quarter but regrouped after half time and put pressure on in the third quarter but then fell away badly in the final quarter.

**Best:** 1. **Mark Baryczka** is the backbone of the team and consistently gets the ball forward, tackles, and does all the things a coach would want. 2. **Scott Balchin** in pretty good form at the moment and ran the game out. 3. **Alex Shaw** gives his all every game. 4. **Shane Gates** tried hard to stem the flow – but was overwhelmed.

5. **Dylan Sinapius** gathered many touches later in the game. Others to do well included Tony Howard (kicking in the forwards was the only player to hit a target) Brian Curtis at full back – got on top of his opponent, and Mark Rothwell had moments. But we didn't have enough run.

**Goals:** Scott Balchin, John Page, Tony Howard, Nathan Hoare, Dylan Sinapius – all 1.
