OUR MEMBER FOR MANCHESTER VISITS US AND THE POWER!

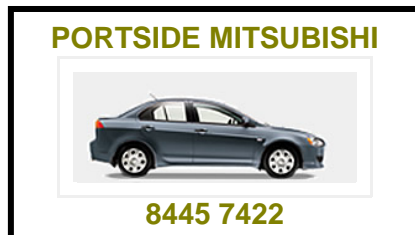

Rory Gildea is Tracey Reardon's first cousin who resides in Manchester. Doc provides the following: Firstly he is biggest drinker of Guinness I've ever come across! (Fantastic host to me and Matthew (pictured) when we were abroad in October 2012). He is over to catch up with family but has tied it in with seeing the first test of the British Lions (avid Rugby Union fan). Former Rugby Union player himself but has warmed to Aussie Rules and was happy to get to see me play Saturday afternoon and got to the Power game with JR for the last quarter to see Matthew and the boys get up - and managed to find himself in the winning rooms after the game!

Not a bad effort when you think about it – how many people can say they have been in the rooms of an AFL team immediately after a match!

All in all Rory I suspect had a pretty full-on football day – watched us and in particular Doc turn it on – and then straight down to Footy Park and watch the Power win!

*Pictured in the rooms with **Matthew Broadbent** – who also got amongst the stats in the Power's great win!*

RAINING GOALS

Rosewater	4.8	12.13	19.15	27.19	(181)
Adelaide University	2.2	2.4	3.5	4.6	(30)

Another big win. We caught Adelaide University with some 10 or so changes to their side – allegedly brought on by a drought of players subject to examinations. Whatever the reason we repeated our first round encounter, with another 20 goals plus margin! We started well and got better as the game continued. In the first we were inaccurate and Uni did put up a reasonable performance – but they fell away quickly and the result, going our way, was soon evident. Adam Cross was a driving force from the centre square, getting the hard ball and putting it to advantage with pin-point accuracy. Unlike last game, Hughie was off-target and the margin could have been much more if his first quarter effort replicated his effort of the previous game – three shots on goal in both – one returning goals but this time points! Inaccuracy aside we were in control and nearly had a winning lead at the first break.

Our second quarter had Doc Reardon into top gear, running and gathering, and running more to set up forward movements with Brad Horsell the main target. He slotted four for the quarter and at the long break we were 10 goals plus up! We had won all positions on the ground, some by bigger margins than others, but every player was on top of their opponent and our total control was evident. Jarrad Schar set the scene with a commanding performance in ruck, Tyson Thomas was very effective in the air and at the outer forward position became another cog in our drive to full forward.

Our second half was a continuation of the first. We dominated and carried the ball forward at will, rattling the goals on, and it became a procession. This continued to the end. We didn't relent and kept the pressure on, finally running out winners with a 25 goal margin. It was a game where the back men also ran off their opponents and outscored them too!

Best: 1. **Adam Cross** dominated the game with a display of ball getting and disposal rarely seen. 2. **Doc Reardon with 43 possessions (20K 7M 23 H/B)** came second – not by much but anyone collecting 43 possessions and doing a lot of taps on would normally be first! 3. **Jarrad Schar** in ruck and around the ground. 4. **Brad Horsell** with 9! 5. **Hughie** with some dashing leads and provided an alternative to Hors! - and all the rest in a very good team effort.

Goals: B. Horsell 9, H. Johnson-Schroeder 4, D. Reardon 4, K. Young 3, A. Rumbelow 2, J. Schar, D. Frank, S. Jacobsen, J. Grant, J. Pettersson. Underlined indicates playing in defence (back pocket x 2 and CHB) when they scored goals!

This game nearly got away from us. We knew before the game Uni were "light-on" and perhaps complacency came to the fore. It wasn't until the third quarter that we snapped out of our slumber and put scoreboard pressure on. Early Uni led the way with pace and skills. We were kept in the game through some good defence by Shane Gates and Lance Billett, but overall we were chasing, and not that quickly either! The tide turned with Scott Balchin putting in a great running effort and kicking two crucial goals in the third put us back on track. Then with the pressure put on by that gentleman of the scrumage, Mark Baryczka, we were able to hold our lead to run out comfortable winners!

This match saw Luke Reynolds join us – he is on a permit from Broken Hill and may be available for a couple of games. He added a lot of bite to the forwards.

Best: 1. Dylan Sinapius 2. Mark Baryczka 3. Scott Balchin 4. Shane Gates 5. Darren Sinapius

Goals: Luke Reynolds 2, Andrew Jones 2, S. Balchin 2, John Page Tony Howard Brett Gooley Darren Sinapius Nathan Hoare Mark Baryczka

VISIT BY FORMER PLAYER/TRAINER

Clayton Riley breezed into town for **Matt Medhurst's 30th**. Came to club – paid his membership – bought much apparel – had a few drinks – won a prize or two during the Ladies Raffle (donated back) – went to the 30th – more fun times – left about 2:00am and caught a passing car (not a taxi) – to the casino – left about 5:30 \$800.00 up – bed for a hour and to the airport – and back to Melbourne! Stamina personified!
