**Best:** I.Sansbury, Dean Campbell, Uzzell, P.Miles, S.Bastian

The "Venga" bus packed with a dozen Old Dogs moseyed north to the small town of Mintaro in the Clare Valley wine region to play Fitzroy. Others made their own way there to total 24 in number which is an outstanding roll up for a road trip. The opposition were short and the Old Dogs supplied players to make the contest even. A big thanks to those who joined the opposition and ***then played at a level which even had their own team astounded – thanks a lot!*** The Old Dogs showed "ill" effects from the journey to the game and came out all guns blazing and had the opposition wondering what they had on the bus. With fluid ball movement big Pete Miles (CHF) and Dean Campbell (FF) marked everything and racked up the goals early. The defence held strong and rebounded well with 'DT' (Damien Taheny - back pocket) marshalling the troops. Rookie Steve Bastien provided plenty of possessions on the wing and later held strong on the HBF, but the stand-out, with a great game in the pivot, Ian Sansbury, ran amok racking up many possessions. Many others contributed on the day, but the bus trip took its toll in the last stanza with the opposition outscoring the Old Dogs with the help of Steve Sinclair and others. ***The highlight of the day was the two goals kicked by another rookie who has never played the game, Canadian, Robert Rae.*** His first was the result of a great mark 25m out and all his team mates stood silent holding their breath (they all know Bob's kicking style). Bob did not let them down, as soon as the ball sailed through there was a double fist pump and rapturous applause and Bob finished with another later on when he ran into an open goal to register his second! - Great effort Bob!

Thanks to Grant (I've got weak knees) Hure, for organising and driving the bus, and Mark (my hamstring broke) Fistr, for making the trip and helping out on the sidelines.

U10: Rosewater v Port District

It was a cool morning and the fog was thick, so thick we needed the GPS to find our way. This however didn't deter any of the kids from making their way down to Port District for yet another great game of U10's footy. Both teams were pretty evenly matched with a couple on the bench, and while we expected District to be somewhat bigger than us, this wasn't so. The 1st quarter was pretty even with the ball spending equal time in each forward half. District were able to capitalise with a couple of goals, but didn't race away. The 2nd quarter saw us put a few points on the board and District again slotted 1 or 2, with our backline defence good though with **Cooper** putting in some hard work to stop whatever came down there, little **Samuel** also putting in the hard yards, out marking some taller kids and delivering the ball back to our centre line players to move it forward. The 3rd and 4th quarters were a little more even with **Isaac** scoring a good goal and also providing good handballs to try and set up more goals. **Liam U** also scored a goal and there were multiple point scorers. Again it was a great game and a great team effort from all the boys and girls, each week we see better skills and the confidence builds more and more with every game they play. The final half of the season might not see those bigger sides have as easier a game as they did earlier on, with many of our kids really starting to play well and be hard at the ball. As well their delivery is getting better, they are playing some good defensive, structured footy - which might surprise in the last half of the year....  
**KEEP WORKING HARD LITTLE DOGGIES AND KEEP HAVING FUN....**

U12: Rosewater 3.5 (23) Woodville South 4.12 (36)

The 4th placed U12's travelled over to Ledger Road to take on the 3rd placed Cats in what turned out to be a great game of footy. Some inaccurate kicking in the first from Woodie South allowed us Doggies to stay in the game. We had the best of

the next two quarters and worked our way back to a winnable position at 3/4 time. Unfortunately after a gut busting effort the Dogs worked hard going forward but ran out of puff when needing to defend the better side on the day. Special mention to **Gordon Coles** on a brilliant defensive display and **Kynan Kenny** on his ability to find and use some space on the wing. Overall a pleasing effort especially some of our chase and tackle. Next week is another opportunity to keep on improving.

Work HARD Dogs!

**BEST:** Jack Stanton, Kiana Lee, Deacon Braun, Gordon Coles,  
Anthony Giacobbe

**GOALS:** Kiana Lee 3

U14: Rosewater 21.30 (156) v SMOSH West Lakes 0.0 (0)

It would be fair to say we definitely SMASHED SMOSH.

Our boys played a great game, free flowing and a structured game, demonstrating great team work and team spirit, making for a fun and satisfying win. While Patrick Hillard and Cory Walker reminded us why they are in the Port Adelaide Development Squad with some beautiful passages, Will Naira and Paddy Hure also showed much flair. Our outstanding goal scorer today was Eddie Milera with 7 goals, and we welcome Dion Doolan to the ranks starting out with a healthy 4 goals in his first match with us. Patrick Hillard adding 2 goals with one each to Josh Morris, Nic Balchin, Kale Christopher, Paddy Hure, Ray Burns, Tylar Morris Tayzer McBride and Caleb Hortin. Our best team man today was Tylar Morris who made it his personal mission to get young Caleb his first career Goal. It was the best sportsmanship and team play I have ever seen demonstrated. I was very proud of Tylar ( Brutus) Morris for the selfless passages of play on about 3 different occasions to help Caleb get his goal, also enjoying the celebration of their success. Profile this week is of

**21 Edwin Milera and  
22 Kale Christopher**

Both of these boys have been with Rosewater since 2007 starting out in Grasshoppers that year. These are the "pups" that this year has been so rewarding for. These lads and their families have been loyal to Rosewater for almost 7 years, with both players having played over 100 junior games. Both are great lads and talented players that are enjoying the rewards of 2013 and stay true Bulldogs so that the Seniors will benefit from their skills.

U16: The long haul to Unley proved to be just that. We were light on for players due to injury, suspension and disinterest. We fought at about half pace for most of the game, with only a few remembering what we were there for. We allowed the Jets to destroy at will.

Hard work by some backs and glimpses elsewhere, with Keith D best. However early Saturday nights and concentration would have been the order of the day.! Remembering what we do at training can and should reflect on game day. Special thanks to our volunteers for their help – it is noted, recognized, and appreciated! Next week – bring it on!
