Best Sansbury Yen D.Miles Don Campbell Carbone

The Old Dogs put up a brave effort on Sunday against River Murray who had recruited some tall timber and runners.

In a close contest in a slightly shortened game which went to the wire and it was a late goal by River Murray that sealed the win for them.

An evenly contested game throughout and both teams missing easy shots on goal. Dennis "The Menace" Umpherston had his hands full down back and also needed to get on his bike a few times chasing the River Murray full forward until he felt the dreaded twang - yep hamstring!

Ian "Slippery" Sansbury again provided dash and flare throughout the day. The team welcomed first time player, and a return to the club of past player Alex Yen, who is still fit and provided run and carry and even seemed to enjoy himself. Don "The Rock" Campbell, not to be mistaken for his brother Dean, "The Other Rock" Campbell, was very solid in defence and provided strength in the middle for a great game.

Daniel "Kangaroo" Miles returned from injury and was cherished as he battled and out jumped a couple of tall opposition ruckmen to provide first use on many occasions.

The Old Dogs did appear a little slow, fumbled, and missed many targets, and the whisper I got was that the training on Friday Night was very taxing and may have contributed to the outcome.

Some discussion will be had with the boys that took training in the absence of the coach last Friday. HmMMMMM.

Thanks to Roger "the water will eventually get there" Leyonhjelm, Tony "Comedy Classics on the sidelines" Matthews, Grant "My heart muscle strain is recovering" Hure, Leon "winged warrior" Burrows for your assistance on the day.

Thanks to all the spectators and opposition players and families for your patronage on the day.

U10: What a great morning for footy, the scene was set for what became a great day of footy for the Doggies. The mighty little U10's took on a massive outfit in Woodville South, again a team that won quite easily earlier on in the year, they were one short, but allowed us to play our full 18. Again, this was a game that showed how much the boys have improved with their skills and determination to win the footy and not let it go, with some of our little tacklers being lifted clear off the ground by the bigger Woody South kids, but there was no way we were letting them steal it so easily. The first couple of quarters did see the opposition kick a couple of goals in each, but more great work from our backline showed that goals aren't so easy to come by against the Dog's, with **Haydos** and **Abe** again showing their might, pushing kids off the ball and taking good grabs. Daniel did well in the forward line, working hard all the time. **Kyan** the running man had some good breaks down the wing, doing all he could to move the ball forward. **Liam U** rucked well yet again, giving our on ballers plenty to work with, which **Harry** made the most of with many centre clearances. The game went on and it wasn't until a masterful stroke and coaching move of the century might I add, (by the Team Manager, no guesses who that might be), that saw us score our first goal due to a good centre clearance by **Liam P** and a long kick that rolled through the big sticks, some might say it was a move that we got lucky from due to the nature of the move, don't listen to them, I am a genius. Never the less, all the kids tried their hardest as they do every week and we look forward to the final two games of the year, I reckon we will get a win on the board for sure. To top off, the U10's and a couple of U8's had a mini league game at half time at the Maggies game at Alberton, thanks to all the parents that came along to help and or support our little Doggies, all the kids had a great afternoon, and to cap that off, it was great to see everyone back at the club in the arvo to support the Masters, great work...
GO YOU LITTLE DOGGIES....

U12 ROSEWATER. 10.6. (66) LOCKLEYS. 0.0. (0)

This week the 6th placed 12's faced the 9th placed Lockleys and whilst not disrespecting the Demons, Rosewater needed to win and win well if they were to keep their slim finals hopes alive. Joshua Bartley was given the all important role of full forward and he didn't disappoint with some fantastic goals especially the checkside cracker in front of the kennel faithful! **James Quinlivan** continued his fine form and delivered one of the finest hip and shoulder shepherds you will ever see. The usual suspects (as Darren and I like to call them) in **Kiana Lee, Deacon Braun, Joshua Morris, Tyson Wanganeen and 50 gamer Anthony Giacobbe**, dominated their positions and coupled with some step up performances from **Kynan Kenny and Hunter Cross** it was pleasing to see. Overall it was great for Rosies to be involved in a game where everyone had an opportunity and probably did have a piece of the size 4 footy. However, it must be said that even though we achieved our best goal tally, at times we put individual ambitions ahead of team football. It's all or nothing now Bulldogs, we are still alive!

BEST: Kynan Kenny, Hunter Cross, Jyerell Highfold, Mitchell Beale, Tyson Wanganeen, just to name a few.

GOALS: Josh Bartley 4, Tyson Wanganeen 2, Kiana Lee, Lindsay Goldsmith, Hunter Cross, Jyerell Highfold 1 each.

U14: Rosewater

Rosewater 9.7 (61) v Portland 5.4 (34)

For those of you who didn't come down the club on Sunday – you missed a great game! As with most teams, injuries are starting to make their mark on the team, especially with a number of the boys playing School Football on Saturday, and **Nic, Josh** and **Patrick** playing for the Eagles on Friday nights. But we got there in the end. We held the lead at every quarter, only feeling really comfortable after **Eddie Milera** moved to the forward line in the last quarter and kicked 4 goals. With **Patrick Hillard** carrying a calf injury, that really slowed boy wonder down, and making our mid field not as free flowing as normal. **Will Naera**, with his extremely saw thigh, played a great game being best on ground. **Jacob Sansbury** played possibly his best game of the year thus far. **Lucas Jolly playing his 50th game** and his first game back after some time in Queensland, was strong and played some great passages that redirected the ball. Coach Coles asked Frank Cabone to come and provide some addition support on the coaching bench, which saw **Matt Wanganeen** and **Tom Heinrich** respond well to the addition support, with both playing strong games in defence. Other strong contributions came from **Toby Aldridge**, who had a lot of the play in the second quarter but could not find the majors today, **Cory Walker** and **Kale Christopher**. All of the boys stepped up when asked today, giving back to the coach as he had asked.

So the next two games will not be as challenging allowing a few more of the boys to come off the bench and have a run, and resting some of the boys carrying injuries in the run up to 1 September when we will meet Portland again in the Finals.

Goals: Eddie Milera 4, Jacob Sansbury 2, one each to Toby Aldridge, Josh Morris, Shane Shulver.
