DISAPPOINTING END TO 2013

Rosewater	1.1	3.4	5.6	8.8	(56)
Westminster OS	5.4	7.9	8.13	13.18	(96)

Well, the season came to a conclusion last Saturday. We looked reasonable early and fell away in the final quarter. Shaun Jacobsen stopped everything for the first 15 minutes and we were on top, going into the reasonably strong wind – 3 to 4 goals. But then WOS got a run on and in the end had a good break at quarter time. We only went into attack on a couple of occasions with Josh Vines able to raise full points. Our second quarter was a poor one. With the breeze we were unable to capitalize. WOS perhaps had the pressure on, but our main problem was self induced. Turnovers cost us dearly. For the entire game we suffered what was probably our worst effort as regards to missing targets. Giving our forwards any chance of marking was negated by poor disposal. In fact I don't think we took a mark in the forward 50! At half time we were struggling. Our third quarter was our best. Into the conditions we outscored WOS (admittedly they were a little off target), but our defence got on top and was nullifying their strong points. Tyson Thomas to full back and Adam Rumbelow to back pocket shut down what had been strong points. The final quarter and we were coming home with the breeze at our backs and four goals down – with (now) a 2 to 3 goal advantage.

It looked as if we could do it. But not to be. WOS rallied and turned the tables, outscoring us against the fading wind! It was a disappointing end to what has been a good season, one in which we offered a lot until the last few matches.

Brad Horsell announced his retirement as coach – a couple of weeks ago – and now we must look to 2014 – to move up a division. We have a lot of things going for us – not the least being the nucleus of a very good side.

Best over...

SUPPORTERS

Again our supporters were out in force. Given four clubs were involved, our contingent, contributed about 50% of those present. And the "roar" was ours by a lot – even over the home side! Thanks for the support – we'll go a couple of spots better next year!

Best: 1. **Dylan Frank** has made the finals his own. A very good display throughout the game. 2. **Shaun Jacobsen** was strong in defence and moved to the forwards to address the marking. 3. **Josh McDonald** again performed well in ruck and around the ground. 4. **Josh Vines** our only multiple goal scorer, dangerous off the packs. 5. **Adam Rumbelow** set the backlines right in the second half. Others to do well included: Adam Cross, David Giuffreda, Doc Reardon, and Joel Pettersson.

Goals: Vines 4, singles to: Hugh Johnson-Schroeder, Shaun Jacobsen, Adam Cross and Jarrad Schar.

Jarrad Schar returned for his first game since round 13 (where he broke his foot). This was a remarkable effort as normally such an injury requires 8 to 10 weeks from when the Moon Boot comes off! Jarrad made it about 7 weeks early!

WHAT'S HAPPENING OVER SUMMER

We have a couple of functions on the horizon – obviously the Presentation Dinner and then the Annual General Meeting will not be far off too. But over summer itself we will be looking to have functions at the club:

We will be opening at 4:00pm on the usual days, Tuesday to Friday and on Sundays 11:00am to 4:00pm or later (given support by patrons). It would be nice to do the same on Saturdays, from 4:00pm to 7:00pm (or later).

8 Ball

We will have our regular Wednesday Night gatherings for our 8 Ball Teams. We have three teams at present and are looking to form a fourth. If you are interested in having a game – contact Scott Lee.

AFL Super 9's

We are also looking to be the host club of the AFL 9's. This is a fast, free-flowing game involving 9 players on each team and it is played on a smaller field. We could have two games going simultaneously, one each side of the cricket pitch. The game is suitable for people of all ages and skill level. No bumping or tackling. A good way to keep up the fitness over summer.

Cricket

Many have suggested a cricket team. Something for Committee to appraise!
