Under 14's Semi Final

Rosewater 13.6 (84) v Portland 5.4 (34)

Happy Belated Father's Day:

On a very warm morning our boys travelled to Lockleys to be the first Rosewater Junior team to play in finals for 20 years. Portland has defeated every other team in the competition and they badly wanted to take our boys down.

The first quarter was hard and fast with the boys taking their time to settle into the game as there were as many nerves on the field as there were off. We finished every quarter in front but it still felt tighter than at the end of the first quarter.

The boys played a brilliant game today showing of their skills to the enjoyment of our supporters. **Lucas Jolly** took a great mark which impressed the large gathering of our supporters. **Tom Henrich**, in the back line, played a fantastic game with very safe hands and stopped everything that came his way. **Patrick Hillard**, back to his best today, played some lovely passages through the centre with **Will Naera**, **Ray Burns** and **Jacob Sansbury** also turning in one of their best performances for the year.

Every single player contributed today. We were all so very proud of our boys and they stayed true to the plan. Our goal scorers today: 3 each to **Toby Aldridge**, **Paddy Hure**, and **Eddie Milera** who also mixed it up in the centre today. One each to **Patrick Hillard**, **Shane Shulver**, **Tremaine Gollan Davey** and **Tylar Morris**.

The boys now get a week off to rest, while Portland will go on to play the much improved Woodville South to decide who will meet us in the Finals to be played on **Sunday 15th at Woodville Oval**.

It was very sad to see our Big Dogs not making it through on Saturday, so we hope if the presentation night is not overly enjoyed by all, you will be able to come out and see the boys in the Grand Final. To see if we can deliver the Juniors their first Premiership in 20 Years! There were a lot of very proud parents out there today, it was as great day to be a Bulldog!

The Under 14's will play on with the honour of the Club in hand, to ensure the young puppy can provide the future for the Rosewater Club.

Let's bring it home boys, it's been a long time since October, but we're still in it, so it can't have been such a bad idea!

**ONE NICE THING ABOUT EGOTISTS:
THEY DON'T TALK ABOUT OTHER PEOPLE.**
