PRESENTATION NIGHT A GREAT SUCCESS

The Jacquier Room was comfortably full for the 2013 Presentation Night. We were limited by the number of meals our caterers could supply, and this number (120) was met, with quite a few persons disappointed in seats not being available.

THIS SUNDAY – JUNIOR MEDAL COUNTS – DETAILS INSIDE

ADAM CROSS SENIOR BEST AND FAIREST 2013

From U14's Coach – Chris Coles

Rosewater 2.9 (21) Portland 8.6 (54)

It was so great to have everyone's support for this much anticipated day. From the coaches' box, the sea of red, white and blue was very clearly seen and the barracking very much heard!

The sisters of our players looked wonderful in their Cheerleader outfits, lending their support as the players ran onto the ground through the great banner for the team, and for **Shane Shulver's 100th Game.**

The weather was fine but extremely windy, so the scene was set for the much anticipated game of the year. Unfortunately today, the Under 14's learnt that nothing is a sure thing in the game of football.

I spent the afternoon listening to many points of view about why we lost, what the boys could have done, and should have done better, and being told they were too confident and too cocky. On the last point they were not alone. Every indication was if they came out and put it together, it would be a great game with an enjoyable outcome.

The fact of the matter is they are a group of young boys who were just knocked over by the hype of the event, and with that came the nerves that would not go away, a bigger ground, a crowd and noise **more p2**

U14's continued:

they were just not used to. And as many of us know with kids, you never can tell exactly what they will do.

As I said: "You can do everything but play the game for them!"

And today they were just out played by a side that weren't playing to win a grand final - they were playing to beat us. For those of you not at the game we led at the end of the first quarter by 4 points, at the end of the 2nd we were 2 points down. This was the first time this year the boys found themselves in this position. At the end of the 3rd quarter we were 6 points down. It would be far too easy to say that Portland could see the Doggies were limping and our boys just never found a way to bring it home today.

The final score: Rosewater 2.9 (21) Portland 8.6 (54)

Our best were:

Tayzer McBride	who ran all day
Corey Walker	outstanding too, ruck and running an all over the ground effort
Will Narea	very tenacious and covered well in defence
Patrick Hillard	finished the game as walking wounded as a result of his efforts
Nic Balchin	also good in air
Eddie Milera	with very good skills and magnificent marking anticipation.

Goals: Tremaine Gollan Davey, Eddie Milera – 1 each.

Before the Game

U14's continued.....

Can I take this opportunity to thank:

- Spook (Kevin Cains) and Leslie for staying back at the club to cook up a storm for the boys, their families, and the club faithful – and much appreciated by all from my observations.
- To the families and support crew who have been there for the boys and me all year.
- To the Senior Trainers who have provided their support and knowledge to our boys over the season. "I am still not convinced Laurie about your Port v Woodville story." Perhaps you brought back "Old Demons".

I would like to think that this year is the beginning of a new era. Great new club rooms - the Seniors have had a great year, but just not being able to put it together at the end, the Under 12's had a great season missing out on finals action by the narrowest of margins and my great Under 14's who have just had the season of their lives. Hopefully it has left us all hungry for more, with a burning in our gut that we all have unfinished business on the field. Working together we will achieve glory in season 2014!

I did indicate I may "leave" the game. But I feel I need to finish of what has started, so around we go again. We have a 2 year plan in place with the Under 16's, when this group will be together again. Maybe we will get a chance to get it right, adding Bulldog fight and grit to their skills!

Bulldog Loud and Proud!
