JUNIORS PRESENTATION DAY – A GREAT SUCCESS

Things are going well with our juniors. The Junior Committee are to be congratulated on the manner in which they have achieved outstanding success in Season 2013. The attendance, on Sunday last, at their Presentation Day, was outstanding. The Jacquier Room was filled to capacity for most of the day with the various grades being presented in age order for their efforts over the season.

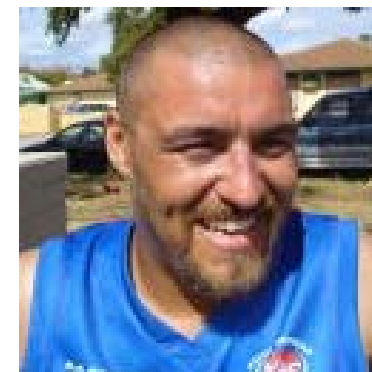

The **Junior AGM** is scheduled :

Sunday 13 October
Commencing at 1.00pm
Nibbles and afternoon tea

Volunteers are being called for to fill various functions, both on and off Committee, with plenty to do to keep our Junior Bulldogs heading in the right direction.

JUNIORS MAKE SUBSTANTIAL DONATION TO THE MANAGEMENT OF THE CLUB

At the commencement of the season the Senior Committee recognised that it would not be in a position to do justice to the conduct of the Canteen. With the new building, and much to do, a decision was made to ask the Junior Committee if it was willing to assume the running of the Canteen. You don't have to be a Rhodes Scholar to work out, through the efforts of Karen McCloy, Kellie Morris, more p2

From P 1

Kristen Hure, Kellie Hills, Rosalyn Coles, Amanda Stanton, Danielle Hure, and many others, that the ladies of the Juniors have excelled themselves. The Canteen has been open on almost every occasion the Club has been. This has been a boon to the Club. It has enhanced patron's experience and added to the attractiveness of the Club, and increased our patronage. In particular the Senior Committee, at the recent Presentation Night, recognised the efforts of Karen McCloy, by way of a small award, to recognise her management (in the main) of the Canteen. **To all those involved, thank you very much for your efforts on behalf of the Club.**

An unexpected, but much appreciated outcome, for the Senior Committee, has been the donation of the sum of \$3000.00 to Club funds! Additionally, through the season the Junior Committee have also contributed substantial amounts to assist the Club. In particular their contribution of \$2500.00 to the solar panel installation was also very much appreciated. They have contributed sums to the running expenses of the Canteen. Again with the Rhodes Scholar hat on, you don't have to be a financial genius to arrive at the conclusion that our Juniors have had, not only a very successful season on the field, but a productive one in a financial sense too.

It is very pleasing to report of the professional manner in which the Juniors are managed with Matt Morris, President, Rob Sandona Chairman, and Kellie Hills, Secretary, and Darren and Tania Hayward as Treasurers, providing the backbone and leading the Committee.

On the field our Juniors were guided by a very committed and competent group of coaches and support persons.

We look forward to their AGM (details in this Newsletter) where their season will be detailed in full!

This report has been a little while in the making – but here it is:
The normal correspondent was one gracing other parts of the World!
And in the photos of the Presentation Night (centre) was one needing extra instruction too! He will remain nameless but has written a nice thank-you to the Juniors – displayed below!

Rosewater 8.3 (51)
Hills 13.9 (87)

Goals: Uzzell 3, Weetra 2, Riddle, Burden, Yen - all 1
Best: Yen, Ceroni, Don Campbell, Uzzell, Sansbury.

A few missing this week due to overseas junkets and under 14's intelligence operation. We had a fair dip but sadly lacked fire power up forward. Alex Yen got plenty of the ball out of the middle, Darius Ceroni and Don Campbell chopped off many Hills forays forward. Barry Uzzell played a lone hand up forward kicking 3 goals while resting. The entire backline Umpherston, Rogers, McCaskill, Sinclair, Sandona, were under the pump for the whole game and held them well considering the amount of footy coming at them. Daniel Miles fought valiantly in the ruck by himself, against much taller opposition. Fair to say we had a crack but weren't good enough on the day.

Hi All,

Many thanks to the Junior Committee on their efforts and specifically on the Donation of \$3K to the RFC Club.

Matt could you please pass on our appreciation to the Junior Committee and assure them that the RFC Committee will use the funds appropriately to serve all Juniors, Seniors & Members of the RFC community.

Much Appreciated and Kind Regards.

Chairman RFC

ROSEWATER 2013 PRESENTATION NIGHT

Top L: Part of crowd during count. **Top R:** Brains Trust of the Reserves: Chris Burden (Ass Coach), Shane Gates (Captain), Ron Chapman (Coach). **Centre L:** Chris and Ron with Mark Baryczka - Best and Fairest, **Centre R:** Adam Cross - Best and Fairest A Grade with Coach Brad Horsell. **Bottom:** Unfortunately the Committee required quite a bit of tuition on the night: Ryan Medhurst, (a very popular serial offender), Matt Morris, Keith Medhurst, Charlie Rumbelow, Mel Lipson, Aaron Chapman, Frank Carbone, and hidden, Arron Hure – all being given instructions from President Steve Vines.
