## Milestones

### JUNIOR MILESTONES ON THEIR PAGES

#### Brad Horsell

The next game Brad fronts in should see him achieve the 100 games

#### Daniel Reardon

Has got to 50 games and has 100 in sight. Can count I'm told so should make a better job of it than his Father - still marooned on that elusive 99! St John's costs\* aren't as significant as well

#### Congratulations

- Always St John's on standby at the Oval when JR involved!

ROSEWATER 1.1 3.4 3.4 4.5 (29)  
 ADELAIDE LU'N 6.7 9.11 16.14 18.18 (129)

We had a go. We were competitive until half time, then the extra talent that Adelaide Lutheran possess got them well ahead. Our first quarter was quite good. We had the ball in the forwards for considerable periods but were not able to register goals. James Carson with a "steal" did register one but with the amount of time we had the ball in the forwards it should have been more.

The second quarter and we were with the breeze. Again we had the ball forward and negated their scoring but did not reap the benefits. We scored two goals via Robbie Cains and restricted them to three! But again the third quarter saw the flood gates open and away they went. Our wheels well and truly fell off! Still all players put in and competed and it wasn't such a bad match to watch, given the cold conditions. And again in the final quarter we restricted them to 2 goals and scored one ourselves. But it was a battle for our backlines - constantly repulsing their attacks. In the end we were well beaten but our endeavour was good.

Best: 1. Josh Vines ran all game and put us into attack on many occasions - and then ran into defence to assist - a good game. 2. Tyson Jacquier repelled strongly off the half back line and showed desperation and commitment to getting the ball. 3. Joel Pettersson had the unenviable task of standing a man a foot taller and being pummeled with opportunities. Joel stood up well and saved many goals. 4. Brad Taheney again ran all over the ground and gathered many possessions. 5. Josh McDonald eclipsed the Medal Winner of a couple of seasons

ago. In a game where he would normally kick 8 to 10 he returned what would have been a miserly 1 goal! A great effort.

Also conspicuous was Rhett Quinliven, after a game in the B's returning from injury, he was everywhere and kept his head over the ball. Daniel Reardon was prominent in the first half and serviceable in the second. Dav Baumann again with a consistently good game in ruck. It is disappointing we just don't quite have enough firepower to take advantage of our endeavours.

HERE ARE THE NEWLY ISSUED COMBAT FATIGUES. THE DESIGN IS A BIT UNUSUAL, BUT THEY ARE REMARKABLY RESILIENT TO REPEATED EXPLOSIONS.

## B Grade

This was always going to be a little difficult. Adelaide Lutheran has a B Grade full of tall and runners. A great side sitting at the top of the table, yet to lose a match this season. We fill the spot at the opposite end! Well done to those who turn up each week. Again this week, with injuries and absences, the B's were left short. But a bit like the A's to follow we did have the ball in the forwards in the first quarter, but were unable to register goals, mainly through poor disposal. But at quarter time we ran out of huff and puff and then chased for the rest of the game. Dobby took off a couple of times and Alex Shaw snuggled\* the “goal of the year”. One of those underground helicopter, reverse bouncing shots through the pack, unable to be touched, to register full points. a very popular person with a great goal! Our fitness is a problem and the players should rally around BC and give him their support on the training track!

**Best:** 1. Brett Gooley at centre half back with occasional runs on the ball - a great effort. 2. Terry Dodd-Cox with some aerial work and desperation to get the ball. 3. Teejay Surace rattled around from a wing and had many possessions. Kept himself injury free too. 4. Alex Shaw with that great goal and his desperation all around the ground in ruck was good again. 5. Justin Twartz has a lot of class, a good mark, and obviously has played at a much higher level - just running into fitness. Others to do well included Wayne Batters, Beau Gagliardi, Mark Rothwell and Eddie Graham-Vanderyl. Disappointing result again.

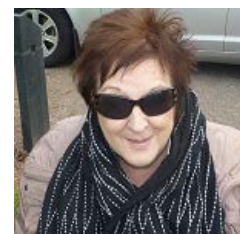

\* Snuggled = hugged the ground.

## THIS WEEK:

Actually I'm feeling that this game be one we will win. West Croydon aren't travelling that well. Sometimes up sometimes down! If we catch them on the down beat we can win. This goes for both grades too!
