ROSEWATER	1.1	3.2	6.4	6.6	(42)
W'ST CROYDON	9.0	12.3	12.4	16.5	(101)

This game the opposition got out of the blocks and with some very accurate kicking had the game won at quarter time. We hit back in the third quarter, normally our quarter to go missing, but this time around we restricted West Croydon to one point and kicked 3.5 ourselves. It's just that we can't keep the pressure on! It was a poor opening quarter. Croydon had the kicking boots on and even if they didn't go between the big ones their goal umpire thought they did. This happened on a couple of occasions, such is amateur football, but it wouldn't have made much difference to the outcome. Brad Taheny was outstanding for us - all game - and until half time, not only was he running on the ball, but was the source of our entire score - 3.2! A very good performance. We were getting the ball out of the centre with Dav Baumann in ruck and Josh Vines getting plenty, but we just turned it over with poor disposal and the intensity of our opposition. As above our best quarter was our third. With the wind and we really had a go. We put the pressure on and returned the results. Early it looked like we might make a play to get the points - but it was not to be as we faded badly in the final quarter, only registering 2 points. Again it could have been a better result, but with players out and limited reserves we are struggling. Mark Rothwell played his first A Grade game, off the bench, but did a couple of good things and his promotion reflects his commitment to training, and some very good games in the B Grade. Next week we journey to Glenunga and will have a couple back in - but it will be difficult.

Best: Brad Taheny was (almost) a one man band in the first quarter. 2. John Page a little quiet early came home with a wet sail and really looked the goods. Had some coaching from the sidelines - but responded well. 3. Chris Forster as quick as ever on his wing had many touches. 4. Josh McDonald for the second week in a row did a job on their best forward. Two weeks in a row standing the opposition's best and restricting both to a single goal. A purple patch for Josh - but it doesn't happen by chance - dedication and commitment. 5. Rhett Quinliven gives bite around the ball. Head over it and hard at it - again a good game. Others to do well included Dav Baumann, Josh Vines, Tyson Jacquier and Joel Pettersson - always under pressure. Daniel Reardon had dashes too.
Goals: Brad Taheny 3, Robbie Cains, James Carson, John Page - 1.

B Grade This game was entertaining. Some very good passages but like the A's to follow, we couldn't return, on the scoreboard, a score that reflected our efforts. We had some very good passages and some good players, and some tight defence, with Adrian Burness outstanding in the third quarter. Alex Shaw gives 100 percent and does the hard tackling, the rover work and the rucking. We did have a lot of players who put in. But again our skills and fitness levels are such that we run out of huff and puff and spray our kicks. On to the training track and we have the cattle to win.

Best: Alex Shaw with a very committed effort again. 2. Eddie Graham Vanderyl is one who can pin point teammates. 3. Adam Purvis runs and gathers and gets plenty of the ball. 4. Adrian Burness was very solid in defence - spoiling and marking with a couple of outstanding grabs. 5. Kelton Young gets the ball a lot and puts us into attack. A bit wayward in front of goals though!

Others to do well included Lance Billett, Brian Reid presented at centre half forward, TeeJay Surace got a lot of touches, Jarrad Moore was cool under pressure and Terry Dodd-Cox and Michael Cicowski had moments. Beau Gagliardi doesn't give up and kicks long out of defence.

Rhett Quinliven has returned from injury and after a game in the B's has had two very good outings in the A's
