U8's: Grasshoppers: Rosewater v

It was a great day for footy and the Little Doggies played Lockleys at their ground. We started with thirteen players and Lockleys lent us two of their players to even the sides up. The Little Doggies started off strong with a brilliant first quarter, thanks to the centre players: **Issac, Sammy, Kane, Abe and Archie** (who was hungry to play footy after long holiday – **welcome back Archie**). Our boys had most of the possessions which provided the forward line plenty of opportunities to score goals, great work boys. The second quarter was even, both sides scoring and having a good challenge at the ball. Then Lockleys came back at us in the third quarter and the scores were even going into the fourth quarter. The Little Doggies lifted their spirits and provided their best performance to walk away with a win. The back line players: **Daniel, Cooper, Jordy, Jake** did a great job of stopping Lockleys from scoring, they ran together and shared the ball around to get the ball into the centre. The forwards played an excellent game scoring goals and creating space for the ball to be delivered into. The skill level of every player has improved tremendously, which was displayed during this game. Well done boys - you all played an excellent game. **Best: Middy, Archie, Daniel, Kyan, Jordy and Will.**

U10's: Rosewater v Lockleys

Round 17 saw our Under 10's meet Lockleys for the second time this season, this time at Lockley's home ground. With quite a few players missing, our boys were ready to give their all and put in a good contest, and that they did. Judging by their efforts, you can see they are really beginning to listen to their coach by handballing the ball around more and giving their team mates somewhere to give the ball to when they are in trouble. Unfortunately their efforts weren't translated into many goals, but once again, they can head into this week with their heads held high.

Best: 1. **Gordon Coles** who was fantastic in the back line and saved a lot of goals 2. **Ethan French** who once again had an excellent game in the centre, 3. **Oliver Stanton** who took some great marks and was involved in many contests. 4. **Jyerell Wanganeen-Highfold** who showed his versatility in the centre and the back lines. 5. **Liam Pentland** who is really beginning to evolve into an awesome centre player and 6. **Michael Kesak** who used his body to win contests and keep the ball in our possession.

This week's goal kicker was **Joshua Bartley**.

Well done Under 10's, don't give up and keep trying your guts out!!

U12's: Rosewater 8.6 (54) v Woodville South 6.4 (40)

What a game! Our team played a great game today but unfortunately did not use the first half to their full advantage. One of the best things to come out of today was to see a young team that **wanted to win and knew they could**. With a number of the team showing their disappointment at that end of the game. Showing this level of emotion at a football game is **FANTASTIC**.

Our fitness was a key contribution to today's game and allowed us to run out the full game, and very nearly run over Woodville South. **BOG** was **Jacob Sansbury**, great job mate! Our replacement ruckman who had a crash course in being a ruckman this week, **Tayzer Mc Bride** great effort to replace Lucas. **P1 & P2 (Patrick & Paddy)** as always outstanding job. **Tremaine Gollan Davey**, again a strong performance in the back line. **Josh Morris** showing some of his magic in the centre also. **Goals: Paddy Hure 2**, one each to **Jacob Sansbury, Josh Morris, Shane Shulver, Hunter Cross**. It has taken 16 games to get this little team to believe in what **THEY CAN ACHIEVE AS A TEAM**. With only two weeks left in the season, we need to hold on to the faith in our team and as a group of parents and kids 2013 should be a great year for us all.

U14's: Rosewater v Woodville South

To put it politely, today was an utter disappointment. We had the numbers on the field and that's where the dominance ended - with the boys running around forgetting they were part of a team.

NO best players from this game but there were three boys who actually came to play football: **Kale Christopher, Tylar Morris and Keelan Cawte**.

Goals: Keelan Cawte 1.

OLD DOGS

MASTERS MIX Rosewater 9.7 (79) d Gawler 4.4 (28)

The Old Dogs had a win and a loss, beating Gawler but losing star midfielder Ian Stansbury in the process. Ian broke his collarbone early in the second quarter. He'd been at his dominant best, winning 50-50 balls and dishing out lace-out passes left, right and centre. It could have been disastrous for the team's momentum, given that Chooker, Eddie, Bazza and Pee Wee were committed elsewhere on Sunday - taking tea at Buckingham Palace with Eddie's old mate the Queen, we believe. All was not lost - Keith, Rash, Hoary and Darius asserted themselves as dominant link players in a solid team performance and the result was never really in doubt. Gawler, a classy outfit, was within a few points at three-quarter time and obviously fancied its chances, but the Dogs rapid ball movement and man-on-man pressure gave the forwards ample opportunities and they started to take them. It helped that the Dogs enjoyed aerial supremacy - Pete Miles being unbeatable at centre-half-forward, Beefer jumping about like a teenager, Frank being Frank and the old warhorse, Grant 'Buckets' Hure, winning in the air and on the ground wherever he roamed. Grant, an ageless warrior, looked like a rover at times. The way he found Frank with the ball, you'd think they'd done it all before. It's worth mentioning that Couta made a huge contribution on his wing, despite being down on his best form. The size of his heart rivals that of Phar Lap. The second, third and fourth efforts win him most contests. Jockey also deserves a mention for a good first game. Of course, the Old Dogs defence was on top from start to finish - as you'd expect from a group led by the likes of Deano and Matty. Matty took the mark of the day, and Deano was Deano. Lastly, a funny thing. Pete managed to land the ball *on top* of the goal post.

Supergoals: Carbone 1

Goals: Carbone 2, Weetra 2, Burden, Umpherston, Hure.
