ROSEWATER 4.1 6.4 8.8 14.12 (96)
 WEST'STER OS 3.1 4.5 9.8 12.10 (82)
 Our Heritage Day and our first game out of the New Clubrooms. With a very large crowd, with supporters from far and wide - "Spider" Watkins flying in from Perth especially for the occasion - and many others also present made the occasion one of the best to have been conducted for years. And the fact we won was the icing on the cake. Again a lost toss and into the 2 - 3 goal breeze. We opened with a very spirited first quarter, fast and hard at the ball. A great opening display of committed players getting to the ball first. James Carson had a "quarter on". He was in the right spot at the right time. Put through three goals for what was probably the single match winning contribution. But all were playing well. Our second quarter, and with the wind, we did not convert the advantage as much as perhaps we could. Westminster OS fought back but were off target with only 1.4 registered. Perhaps this reflected the pressure of the backlines where we had Scott Jacobsen (in his last game for a while due to a Darwin transfer), Tyson Jacquier and Joel Pettersson really putting the pressure on. And we were getting plenty of possessions out of the centre with Josh Vines and Rhett Quinliven desperate. As was John Page and Chris Forster - great games all. Brad Horsell booted two goals. We went in at half time a couple of goals up. Our third quarter was the one where we had to hold. Westminster had the wind and they got away to register 5.3 for the quarter. Not to be outdone we dug deep and scored 2.4 to keep ourselves very much in the contest, with Joel Pettersson dashing out of defence.

The last quarter with the breeze and with a deficit of one goal we had the wind! 'Minster challenged but we responded. A couple more goals to Horsell and two to Adam Rumbelow had things going our way. And the final few minutes we had established a lead sufficient to keep the pressure on and run out winners. An outcome we have looked for all season - but what a day for it all to come together - and a true team effort by a fully committed and fired-up group. **Best: Jack Staker Medal** to Josh Vines - a terrific effort all game out of the centre. Many possessions, tackles, and covered the ground in a best on ground performance. **2. Brad Horsell** as a target in the forwards, with occasional runs on the ball - strong marking, good goals (5) and damaging long kicking. **3. Tyson Jacquier** defended with dash. Strong in the air and hard at the ball. Continued.....

Hard running skilful player coming up from the South East to play cricket and football. Good at both football and cricket and played cricket for Port Adelaide - where he also assisted as Secretary. Now lives in the Riverland but is seen at the Club at least a couple of times of the year - and is a very popular visitor!

A calendar's days are numbered.

A Grade: continued.....

4. Rhett Quinliven - perhaps our best in the first half, copped a high one, but desperation personified at the bottom of the packs. 5. Scotty Jacobsen charged out of defence carrying all before him. Doesn't deviate off a straight line and repelled all game. Others to do well included everyone - But some: James Carson's first quarter was electrifying and he was good throughout, Joel Pettersson unlucky not to be in top 5, Daniel Reardon, John Page and Chris Forster - all quick across the ground and very good in effecting turn-overs. Tyson Thomas and Dav Baumann both strong in the air and set us going. James Grant, Ryan Medhurst and Ben Hall with run - as was ball magnet Brad Taheny. Adam Rumbelow provided the target in the final quarter when Westminster challenged. And all the others were hard: Josh McDonald, Brian Curtis, and George Kalogeridis and Shane Gates, with not a lot of game time, did not let things slip!
A great all round team effort.

Goals: Brad Horsell 5, James Carson 4, Adam Rumbelow 2, Tyson Thomas 2, Brad Taheny 1.

B Grade: Rosewater 3.6 Westminster 13.10

As the Heritage Day was conducted I was there! I have had to rely on hearsay reports as to the intimate details. I did observe us having the ball much of the time in our forwards but we didn't or couldn't register a score (on many occasions). However I am reliably informed Jarrad Moore was a star. He took three or four, or perhaps, five "hangers" - perhaps the greatest marking feats by a Rosewater player this year. He continued his cool and methodical demolition of the opposition forwards and his contribution was that of a Super Star, unleashing a talent that will blossom next season where his exploits will be rewarded by promotion to the A Grade.

But we didn't win the match.

I would like to place on record my appreciation of Jarrad Moore for providing the unbiased assessment of the game. Obviously he had plenty of time to take particular note of goings on and one would think was just a spectator having the intimate knowledge of the happenings as he obviously has!

A will is a dead giveaway.
