U8's: Grasshoppers: Rosewater v Flinders Park

The **Little Doggies** played away under lights against Flinders Park. The conditions were cold and windy with a bit of rain, but that didn't stop our boys, they love to play footy. **Jordy, Mitchell, Middy and Cooper** ran fast, chasing every player and putting pressure on them to turn the ball over - well done boys. **Issac, Jake, Will and Abe** did some great marks and kicked long using the wind to deliver the ball towards the goals, great effort boys. **Archie, Kyan, Daniel and Sammy** played an excellent game, dodging and weaving their opponents and passing the ball to other team mates - brilliant work boys. **Kane** got hit in the face with the ball and still played on like a true "Bulldog". He's a strong and brave kid, "good onya mate". The **Little Doggies** enjoyed playing footy under lights and especially getting dirty. **They all played an excellent game and sung the club song loud and proud. Well done Little Doggies.**

Best: Issac, Archie, Daniel, Kane, Cooper and Middy

U10's: Rosewater v Flinders Park

This week the Under 10's played Flinders Park at their home ground under lights on Friday night. It was a rough night for our **Little Doggies**. The ground was boggy and wet and the weather resembled the Antarctic. Our little legend centre-man **Ryan** has moved to Whyalla but we were happy to see **Jordan down from Moonta and he played in the ruck**. We knew it was going to be a tough game and we tried to beef our defence with our strong players but it just didn't come together on the night. The heart and determination our boys usually put in every week wasn't quite there. Flinders Park kept us to one point **however our defence did manage to keep them from whipping us.**

Best: 1. Hayden James 2. Alec Sunderland 3. Kai McDonald 4. Josh Bartley 5. Jyerell Wanganeen-Highfol 6. Liam Pentland.

Next week's a new week. We are finally playing on our own oval and it's our last game for the season. You can do it **Little Doggies**. We would like to extend a big thanks to those families who were able to bring their little **Bulldog** to the Seniors Heritage Round for the half time exhibition match and congratulations to the Seniors on winning their final game for the year and thanks for a great Saturday afternoon.

U12's: Rosewater 0.1 (1) v Flinders Park 7.9 (51)

What an exciting weekend for the Rosewater Football Club with the first senior's game at our new Club Rooms. However the party atmosphere which lasted late into the night took its toll on many of the Under 12's on Sunday. Coach Coles made it very clear to his young team that he expected more from the team which has shown so much promise this season. In this game the team let themselves down badly with a lacklustre performance. Out "Best Effort" on the field goes to **Mr Darren Stanton and Mr Dave Shulver**, (our Runners) who ran more than most of the team today. Special mention to the following team members who did show some get up and go. **Jacob, Tremaine, Bradley** (first game back after his broken arm), **Brandon, Hunter and Anthony**.

So let's move on to next week. Our First Game back home at Rosewater, and last for the season up against SMOSH West Lakes. **With a 50 game celebration for Jacob Sansbury and 100 games for Paddy Hure.** So lots of sleep, good meal and well hydrate for this game team. You are going to have to bring your "A" effort to the game. There will be a lot of people there and I want them to see the **BEST OF MY LITTLE DOGS!** Do it for **COACH and YOURSELVES!**

U14's: Rosewater 3.4 (22) v Flinders Park 11.10 (76)

What a turnaround from last week's disappointment. **The team showed commitment and team play that we haven't seen for a few rounds.** If the opposition thought they would get an easy win they were wrong - to the point that they were scared at quarter time and had to rethink their strategy, bringing on their best players. This just made our boys more determined, with everyone going in hard at the ball and made Flinders Park more than ever have to work for each score as we stopped their team play. It proves what I have been saying all year about **playing as a TEAM and when we do we are hard to beat.** Well done boys let's keep the momentum going this week with a home ground win.

Best: Alex Eaton, Jaydan Phillips, Keelan Cawte, Kale Christopher, Darcy Allan, Keith Muller

Goals: Eddie Milera 2, Keith Muller 1.

From Terrace Wilson - Grass Hopper Coach:

"It was a great atmosphere on Saturday with the new clubrooms on display. Good to see so many happy people there. I was really proud of our supporters, especially when I lost my mobile 'phone somewhere on the Oval and it got handed in to the Bar Staff. At first, I thought I'd never see it again, but was so happy and relieved when I got it back. I really appreciate who ever found it and handed it in - that is a true honest person. Great to have people like that associated with the Club."

CLUBROOMS UPDATE

Well we have had our **first taste of football out of the new facility**. What a great clubroom has been achieved.

- The **Heritage Day** was a success.
- Our **catering ladies excelled** with a terrific spread which was a little different to what we normally have - and **acclaimed for more of a like nature in the future!**
- Our No 1 Ticket Holder and State Premier the **Honorable Jay Weatherill** addressed those present and his address and comments were very **favourably received**.
- The **A Grade** football match **was a success**.
- The **attendance** during and after the match was "over the top" - with many many persons present.
- The **after match presentations** were well received and
- **Johnny Marchioretti** was superb in conducting the **Auction** of player jumpers - with a preference - going to the "Family" - a concept foreign to Auction Houses - but beneficial to those associated with Rosewater.
- **All in all we had a very successful day**
- **We were found to be several volunteers short in addressing all the issues - but as a first run - perhaps this may be raised as a reason**
- **We do need further persons to manage the Bar in particular.**
- **Thank you to all for your support!**
